Dear Mr. Masella:

On behalf of the Hampton Inn I would like to thank American Hotel Services for the quality products you provided for our property. The full color directories and binders are very impressive and a welcome addition to the Hampton Inn.

I was extremely impressed with the professional service displayed by the AHS team and the timely manner in which you delivered the finished product. I appreciated the fact that your representatives kept us up to date on the progress of the project every step of the way. It was a pleasure working with the AHS staff and hope to do so again in the future.

I would like to give my unconditional recommendation to anyone in need of your products and services. I highly recommend AHS and offer my complete confidence in their products and services. I would like to wish American Hotel Services continued success in the future.

Thank You,
