Dear Mr. Masella:

I would like to take this opportunity to thank you and your staff at AHS for the fantastic job you all did on our in-room directories and binders. The full color directories are quite impressive and very useful to our guests.

Not only did AHS provide a useful and much needed product to our property but you did it in a timely manner which is greatly appreciated. I would also like to thank you for providing us with those great looking binders, at no cost to us.

It is my pleasure to recommend AHS to any hotel that is in need of your products. Please feel free to use me as one of your references for any other hotels that are considering your services. I would like to wish American Hotel Services continued success and look forward to using your services again.

Thank You,

Ken Patel
